About Us

Welcome to Bioplastics LLC, a women-led, minority-owned company based in Houston. Founded in 2024, we leverage over 20 years of expertise in manufacturing and distributing high-quality plastic bags for diverse applications. Our rapid growth reflects our dedication to delivering durable, reliable, and sustainable solutions tailored to customer needs.

We are committed to sustainability by continuously innovating eco-friendly solutions, including recycling plastic waste from cutouts, reducing waste, and promoting the responsible use of plastic to minimize our impact on the environment.

With a commitment to trust, innovation, and environmental responsibility, our experienced team builds lasting relationships while shaping a more sustainable future through advanced plastic bag solutions.
